

Data and Research Group (A4AI)

Results from February 2016 Meeting

- Can define some data sets/Indicators to collect
- Participated by
 - NGOs (MCF, MIDO, MCRB..etc)
 - Ministry of Education
 - Central Statistics Organization
 - University of Information Technology
 - others

What we need for success

- Active participation and contribution from different Stakeholders
- Especially from
 - PTD & Ministry of Transport and Communication
 - Telecom Operators
 - Relevent Government Organizations
 - NGOs (Local & International Organization)
- Collaboration is the most important key to success
