RESEARCH & DATA COLLECTION GROUP

coredatagroup@techaide.net

Kafui Prebbie, MBI
Champion

Godfred Frempong, PhD
Co-Champion

GROUP TERMS OF REFERENCE

To conduct research to provide evidence-based policy recommendation towards affordable connectivity.

Group Update

1. Collected Internet related data from willing institutions.
2. Preparing draft report based on data collected and secondary data sources available
3. Organising data now and subsequently submit draft report for team review

Next Steps

1. Meet with other willing stakeholders
2. Complete draft report and send to team for review
3. Organise a one-day report discussion session for feedback
4. Prepare revised report based on feedback collected
5. Submit report to A4AI
6. Distribute final report to key stakeholders and organise a stakeholder session

Thank you!
